CONSUMPTION**

You'll be really pleased with the increased performance of your G.T. when you fit our latest fairing. It has been developed from the race-proved fairing used successfully on our 250 c.c. Grand Prix racer. Beautifully styled in strong glass fibre and finished in sparkling red and white.

PRICE

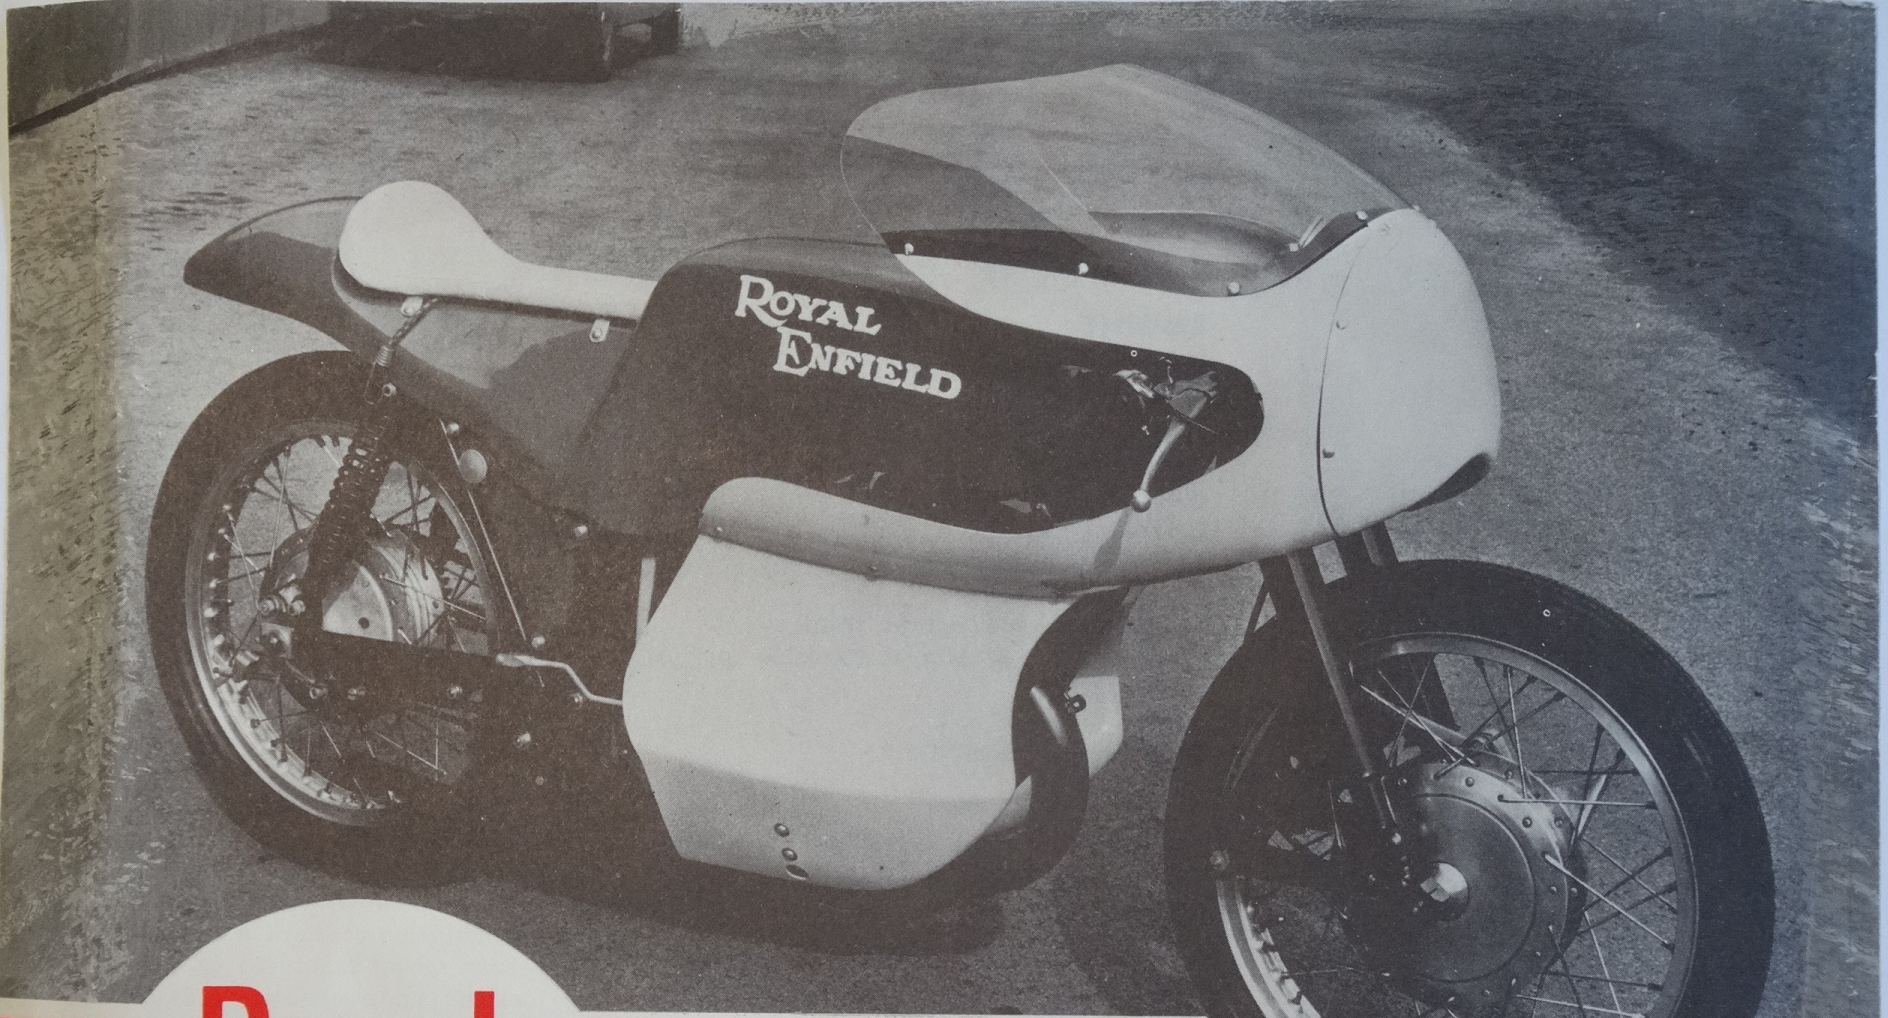

£26-9-3

complete with all fittings and simple instructions how to fit.

Made for THE ENFIELD CYCLE CO. LTD. · REDDITCH · WORCESTERSHIRE

by MITCHENALL BROS. LTD. who are famous for their 'AVON' Fairings
