ROYAL
ENFIELD

1966

Take your choice from the top trio . . . the 3 superb models in the new Royal Enfield range for 1966.

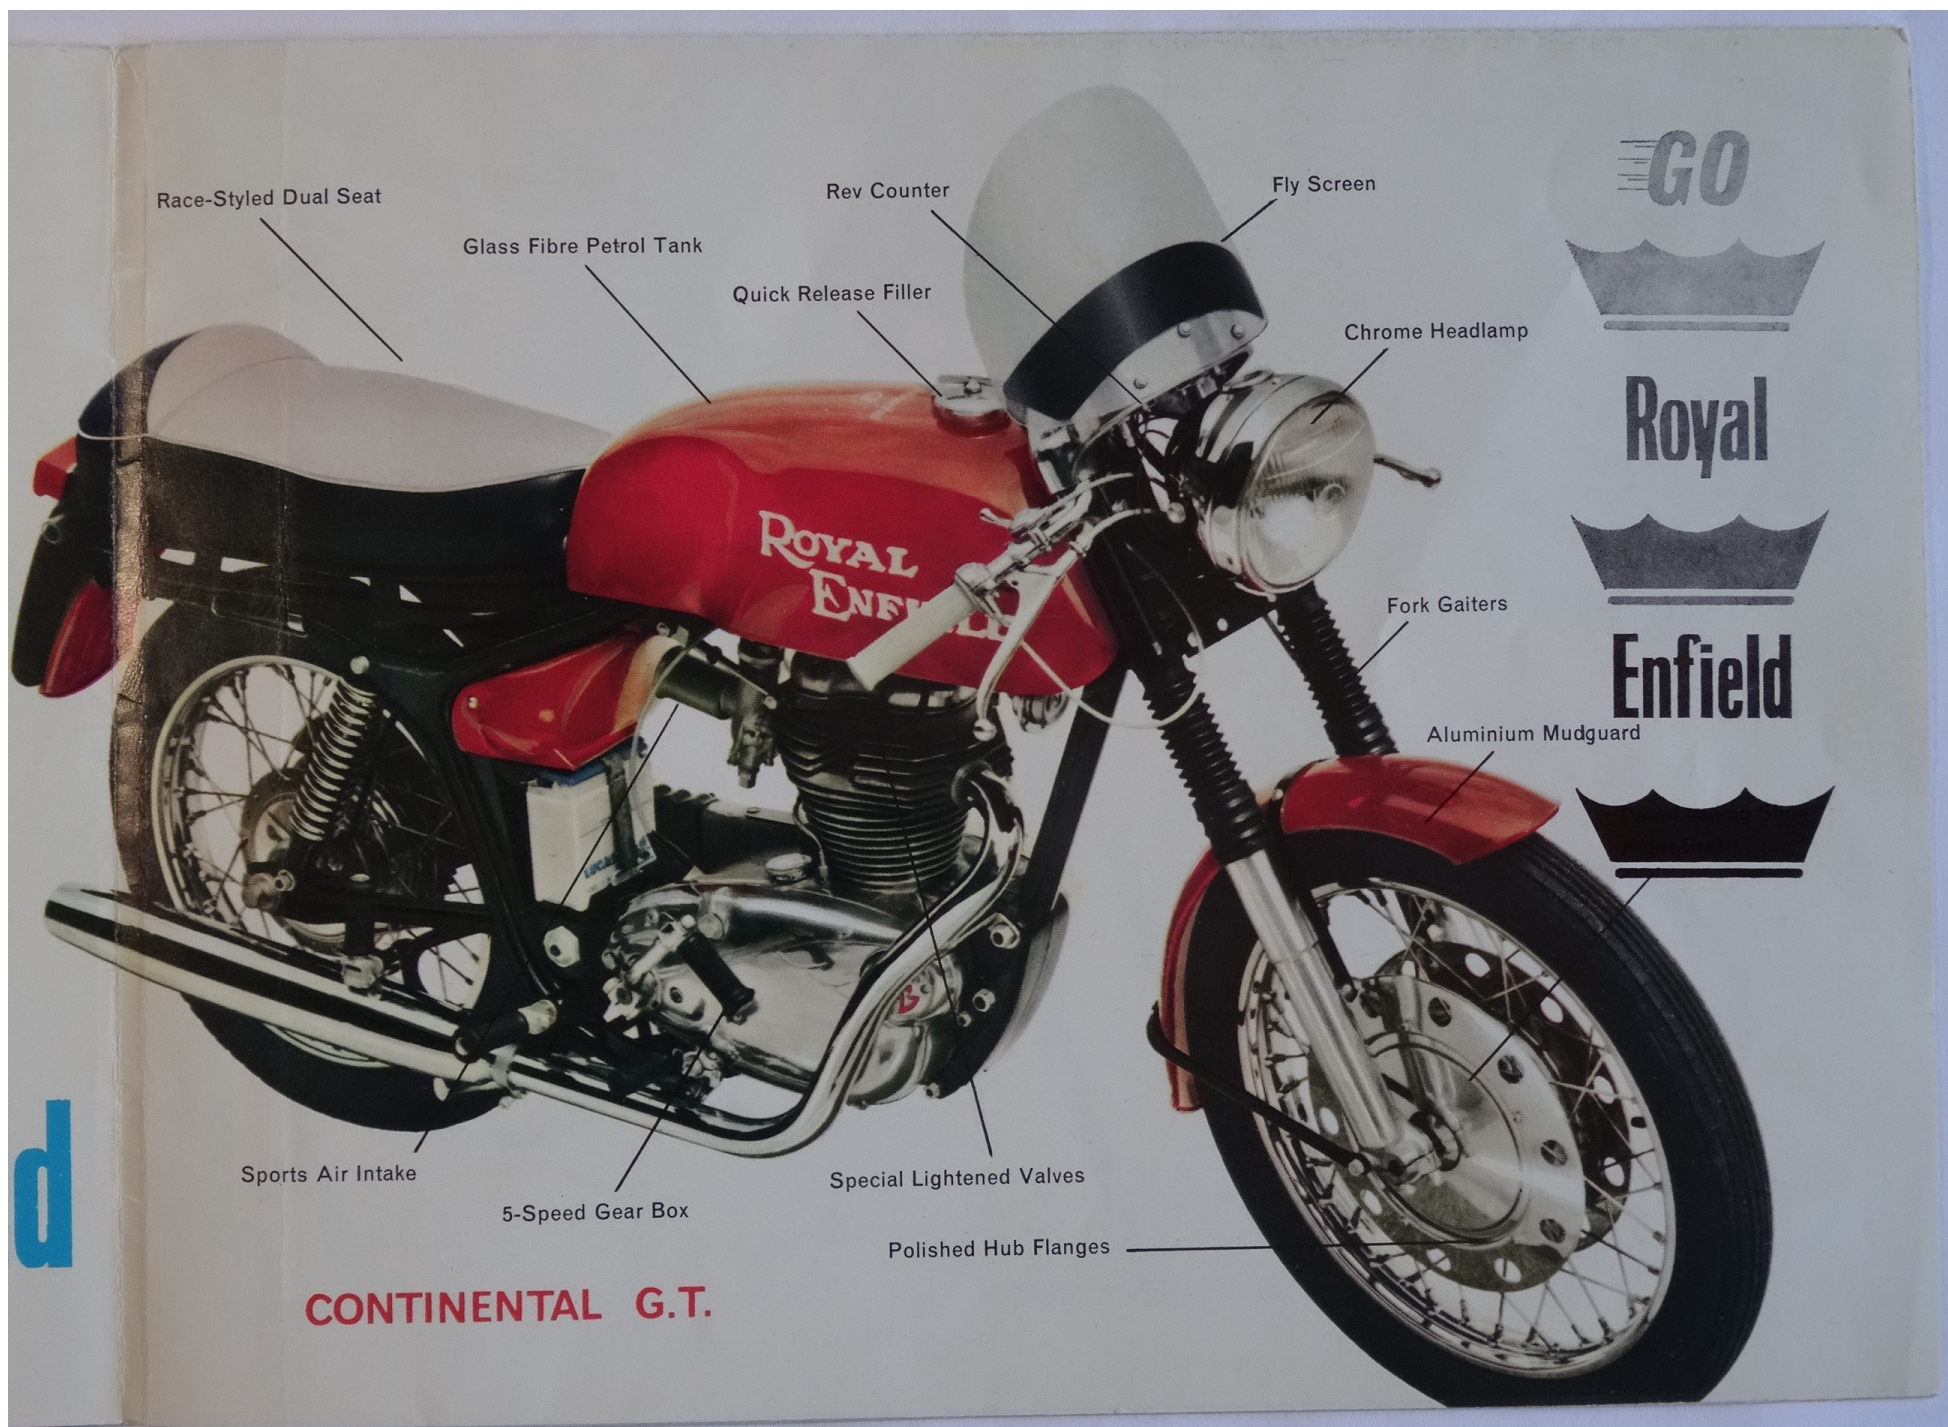

By concentrating our entire production on these firm favourites—each the leader in its class, and headed by the way-ahead Continental G.T.—we are able to ensure the best deal ever for enthusiasts everywhere.

All the latest refinements and improvements are incorporated in these handsome models. Only the finest quality materials are used in their manufacture. And Royal Enfield craftsmanship, the best in the world, gives you a machine in whose appearance and performance you can be justly proud. See your Royal Enfield dealer today—you're on a winner all the way!
