June, 1965

To all Member Firms:

Dear Sirs,

Christmas 1965

Following the Christmas holiday last year, it was reported to the Association that several of our members had successfully introduced the prohibition of drinking on works premises on the day preceding the Christmas holiday.

The Committee discussed this matter, and it was decided to make a recommendation to all members that, as far as possible, this prohibition should be put into effect in other works, and it was hoped that as many members as possible would co-operate in this effort to prevent drunken driving.

Yours faithfully,

G.M. GRIFFITHS-SHAW

Hon. Secretary.
