The Management was pleased to hear at the last Works Committee that since the canteen was taken over by Midland Catering there has been a general improvement in the standard of meals.

Since the last increase in canteen prices there have been several increases in the cost of food and wages, and these together with the improved standard of meals make it necessary to revise charges. The new prices will be operative from 6th November, 1961, as follows:-

Main Course	...	1s. 8d.	(Persons under 18 ... 10d)
Sweet	...	5d.	
Sandwiches	...	1s. 0d.	whole round.
Tea	...	2½d	per cup.
Coffee	...	4d	per cup (or 5d with milk).

A Standard Tariff list will be displayed on Works notice boards and in the canteen.
