Dear Madam,

15th July 1980

I would like to become a member of the Royal Enfield owners club, for which I enclose a cheque.

I own three Royal Enfields, a Crusader Sports, a Continental, and an Airflor Super.

I enclose an article I found in Motor Cycling magazine showing the latter, this being the only information I have on the machine, I would be grateful if one of your model specialists could find out any more about it.

It was registered on 28th January 1966 but is definitely the model featured in this article from 1961.

The frame No is 6258, Engine No SM 7797 CB, capacity 500cc. and the model given in the original log book is ex-experimental Airflor Super. Registration No: HDA 81D.

It is complete bar the pairing & screen which I believe you can now supply.

Yours faithfully

David G. Smith
