

# The Royal Enfield Owners Club

## Newsletter number 13

May 2024

This Electronic Newsletter is only intended to give members information that is time sensitive and has missed the main Gun magazine deadline.

This is a trial to see how The Electronic Newsletter will fit in between Gun production. So, as the next Gun is not due out till 5th...ish of June, in this modern age of technology, it makes sense to keep up to speed and produce an electronic Newsletter for May with material of that Month only.

The next Electronic Newsletter will be for July then September then November.

The Gun dates are June, August, October then December. That takes us to the end of 2024 and we can assess how the system is working.

## Contributions for publication

All articles, letters, statements etc. submitted should end with your name, membership number, contact details, telephone number, postal address, email address, any two contact points are acceptable .

This publication is the official newsletter of The Royal Enfield Owners Club, published bi-monthly and placed on the Club website for members. It must not be reproduced in any way without the consent of the Editors. Views herein are not necessarily those of the Editors or of the Committee.
