

THE ROYAL ENFIELD OWNERS CLUB

The REOC welcomes you as a member and hopes your enjoyment and knowledge of Royal Enfield's will be increased through contact with fellow enthusiasts and participation in Club events in your area and further afield.

The Club

The REOC exists as a forum for the interchange of ideas and information on the maintenance, restoration and use of Royal Enfield motorcycles and machines. This includes modern Royal Enfield motorcycles as well as Royal Enfield cycles, lawnmowers and stationary engines.

You do not need to own a Royal Enfield to be a member of the Club - all you need to have is an interest in anything Royal Enfield.

'THE GUN'

The majority of members gain most benefit from reading and contributing to the Club magazine 'THE GUN'. Its pages convey the friendly enthusiasm with which members share ideas on restoring, maintaining, riding and using their machines.

The wide variety of articles includes some of historical interest as well as technical items along with reports and photographs of rallies, runs and restorations.

The Benefits of membership

The REOC offers members the following:

- Network of machine specialists
- Exclusive badges, tee-shirts, sweatshirts, etc.
- Local branches
- Extensive library and photographic archive
- Machine dating service
- Assistance on recovery of registration numbers
- Weekend events, touring holidays and runs
- Participation at Classic shows

Club Services

Always quote your membership number when requesting Club Services

'The Gun' magazine

'The Gun' is the official publication of the REOC. And is published every other month. Contributions and articles are always welcome, as are letters to the editor, and are essential for maintaining the magazine's high standard.

Back issues of more recent issues are available from the Club's Distribution Officer, and photocopies of all issues that are unavailable can be obtained from the Archivist.

'The Gun' also offers free advertising to members in the form of 'sales and wants', plus trade adverts which are priced by size.

Archive of publications and photographs

The Club Archivist/Librarian holds an extensive archive of publications including spare parts books, handbooks, workshop manuals, sales brochures, road tests and other articles. There is no loan service, but photocopies of much of the material (including workshop manuals) can be supplied—prices on request from the Archivist. Donations of new material are always very welcome.

The archive also contains a photographic collection of original "works" black and white photos of most models, copies of which can be produced for purchase.

Assistance on recovery of registration numbers (Royal Enfield only)

The Club can assist you in retaining a machine's original registration number if you can provide the necessary evidence, or in obtaining an age-related number if you cannot. This is a free service to members after their first year (excluding postage).

Machine Dating

By providing a pencil rubbing of both frame and engine numbers if possible (including any letter prefix) along with a photograph of the machine, the Machine Dating Officer can determine the factory despatch date and colour, etc.

A machine dating certificate will only be issued if the information supplied matches the Club's registers. This is a free service to members worldwide (excluding postage), and is invaluable in uncovering the history of a machine.

Club Sales of badges, tee-shirts, sweatshirts

The Club sells a range of REOC badges, stickers, clothing, Gun magazine binders, etc. Details are published regularly in 'The Gun' magazine.

Note:

Club Services can be paid for by Cheque, Postal Order, Credit/Debit Card or PayPal.

Branch Guidelines, Rallies and Motorcycle Shows

Branch Guidelines

1. That the Branch-Contact/ Branch-Chairman, undertakes that role in acceptance of the responsibility that he/she will ensure that every regular attendee to monthly Branch meetings is a current Member of the Royal Enfield Owners Club.
 2. That the Branch Members ensure that the Branch Contact is not alone in adopting a role in support of the Branch. For example; that a further two Members adopt regular responsibilities such as; 'Scribe' to forward Branch-reports to The Gun magazine and 'Ride-out-Captain' to organise local ride outs and to encourage multi-Branch ride-outs. If more volunteers are available, that another Member takes a role in promoting the Branch and/or engaging with new Royal Enfield owners via their local dealership and that a Member is nominated to welcome new Members and visitors to monthly meetings etc. *We strongly recommend that no less than two Members adopt a role in support of the Branch-Contact.*
 3. That where the Branch benefits from an active Royal Enfield dealership the Branch Contact ensures that the Branch does not exclusively meet at the premises of that dealer or attend only the dealers ride-outs.
 4. That the Branch Contact makes every effort to ensure that the Branch will be represented at the Royal Enfield Owners Club Annual General Meeting. Either in person or by a second.
-

Branch Rallies

Where a branch organises a Rally / Camping weekend that is advertised in the official events calendar published in The Gun, an expense allowance of up to £100.00 may be claimed after the event without any receipts being required. The organiser must inform the social secretary in good time so that all members can be made aware via The Gun and website of the Rally / Camping weekend. Any expenses greater than £100.00 must be approved in advance by the committee via the treasurer and must subsequently be backed up by official receipts.

Motorcycle Shows

Where a Branch organises a Club stand at one of the recognised Motorcycle Shows, an expense allowance of up to £100.00 may be claimed after the event without any receipts being required. The branch must inform the social secretary in good time so that all members can be made aware via The Gun and website that there will be a Club stand at said show. To check that the Show appears on the list of those recognised by the Club for this purpose, or to request that a Show be added to that list, please contact the Branch Coordinator or the Club Chairman in advance. Any expenses of more than £100.00 must be approved in advance by the committee via the treasurer and must subsequently be backed up by official receipts. Claims forms for either of the above are available from the Treasurer upon request.

Machine Specialists

The Club accepts no responsibility for any information or assistance given by the Machine Specialists listed. When contacting Machine Specialists give as much information as possible including year, model, engine and frame numbers.

Always quote your membership number when requesting information.

Club Trophies and Rules

There are five Club Trophies. All Club Members can enter for the Dave Beach and Jim Hayward Memorial Trophies. The Dave Beach Ladies Trophy is open to all Lady Members.

The Roger Thompson Memorial Trophy is for the most meritorious long ride to a Club event on a Royal Enfield, and the Tony Lynch Memorial Trophy is presented for the best Bullet at the National Rally.

General Rules and Regulations for the Award of Trophies.

1. Interpretation of rules lies with the Trophy Sub-Committee whose judgement will be final. The Sub-Committee consists of Social Secretary, Adjudicator and the Adjudicator's Assistant.
2. The terms used in the construction of these rules are defined below and shall be used by the sub-committee as an aid for interpreting the rules.
 - a) Club Member :- Shall be a fully paid up member of the R.E.O.C.
 - b) Recognised or Nominated Event :- Shall be those events as indicated in the Club's published calendar of events.
 - c) Marshal :- Shall be nominated by the Event Organiser.
3. The management of the Trophies and the presentation of the same shall be under the jurisdiction of the Social Secretary.
The sub-committee's responsibilities shall include :-
 - i. the presentation and maintenance of the trophies
 - ii. the aggregation and custody of members' point scores
 - iii. the regular publication of a points score table during the year
4. Each Trophy is to be held by the winner for a period of one calendar year, excluding the Tony Lynch Trophy which is awarded at National Rallies, after which it will be returned to the Social Secretary for re-presentation to any subsequent winners in succeeding years.

The winners will also receive a replica which will be theirs to keep. A suitable inscription bearing the winner's name and year will be attached to or engraved on the Trophy prior to its presentation.

The Dave Beach Memorial Trophy and Ladies Trophy

1. The Dave Beach Memorial trophy is an award bestowed by the REOC on a member in recognition of that member's participation in nominated events on a Royal Enfield. The Ladies Trophy is awarded to the highest points scoring lady (ladies are eligible for both trophies).
2. The Trophies will be awarded to the Club Members who score the most points at the club's recognised events (recognised events are any event organised by the REOC that appears in the club calendar) based upon the following five criteria.
 - a) The distance travelled by a member to an event.
(In the case of riding events of more than one day see rule A4)
 - b) The method by which the member travels to attend the event.
 - c) The engine capacity and type of Royal Enfield brought to an event.
 - d) The age of the Royal Enfield motorcycle brought to an event.
 - e) The total number of points scored at each event carrying Trophy status in the Club's Calendar.
3. A marshal shall be appointed for each recognised event and his/her name published in advance of the event date. The marshal's duties shall include:-
 - ~ Responsibility for obtaining and displaying a copy of these rules
 - ~ Collection of event registration forms from members.
 - ~ Delivery of registration forms to the Adjudicator.
 - ~ Validation of registration forms by countersignature.
4. It will be the responsibility of the member to seek out the marshal to get a registration form, to complete it accurately, including full address and area of town, and machine particulars if a Royal Enfield, and lodge it with the marshal, ensuring that the marshal countersigns it. Members who do not complete an indemnity form for the event are not eligible for trophy points.
5. The Adjudicator will not accept registration forms which do not bear two signatures, that of the member and that of the marshal.
6. The Adjudicator will be required to return to the marshal a signed listing of registration forms received from them.
7. If for any reason a member attending an event fails to submit to the marshal a completed registration form at the time of the event, he/she may write to the marshal within 14 days of the last day of the event stating he/she wishes to be entered for the nominated trophy and giving all the details required for the registration form. Providing the marshal is satisfied of the member's presence at the event, he/she will then forward the information to the Trophy Adjudicator for inclusion in the results.

8. The trophy period shall run from AGM to AGM.
9. Neither the Dave Beach nor Ladies Trophy shall be awarded to the same person two years in succession.
10. The points scoring system shall be based on the five criteria in rule 2, the details of which are as follows:-
 - A1. Distance travelled - two points will be given for each 10 miles or part thereof travelled. Pillion passengers are not eligible for year or capacity points.
 - A2. The distance travelled shall be the straight overland distance from the map reference of the member's home to the map reference of the event location. Mileage for overseas members will be a straight-line distance from the home address to the nearest port that has a ferry service for the UK. Then a straight-line distance from the corresponding UK port. The reverse applies for nominated overseas events. (The sub-committee shall decide on the reference map used)
 - A3. One day riding events - the mileage to the start as in above plus the official mileage as quoted by the event marshal. One point per 10 miles or part thereof for completing the event using a Royal Enfield.
 - A4. For riding events of more than one day, as above, plus official mileage for each day completed, up to a maximum for the event of 200 miles. Anyone joining the event after the official start day will be awarded mileage points to the event starting point plus the official mileage for each participating day, up to 200 miles.
 - A5. When an event immediately follows any other nominated event, mileage to the start to be taken as the distance from the prior event for members attending both events. For members only attending the second event, the mileage to the start of that event will be as in A1 above.

B. Mode of attendance - points will be awarded as follows:-

 - Riding a Royal Enfield to the event 10 Points
