Write In— 'Helping Homeless Veterans UK'

I've been riding motorbikes since I was 15 and always had a bike but for a majority of the years it was a tool for commuting etc. and not the means to an adventure. So it was when I turned 60 and the commuting days were over that I realised time was passing by, and quickly, and that I needed to push my boundaries. I had at a similar time joined up with the South Oxfordshire group and met up with a guy who is a keen rider and confident tourer. He encouraged me to go on a 10 day group trip to France (Battlefields etc.) followed by a club trip to mid Wales. I then did a lone trip to the Lake District. I had a great time and on the group trips and club

meets I re found that blokey banter thing. In 2024 my Himi 411 became my only bike and besides a club trip and lone trip to Wales my touring colleague and I planned a Himi ride into Europe. We rode together to just beyond Munich where he turned left and carried on down to the RE gathering in Greece and I turned right and rode through Austria, Switzerland and France.

So where is this story going ? Well I spent 23 yrs. in the RAF, leaving in 2002, I have donated to the RAF Benevolent fund every month since I joined up aged 17 1/2. I have had a comfortable life since leaving the RAF and was even head hunted for my first Civvy St. job! and I've made donations to service related charities over the years. So in May as one of my trips this year I thought I'd do a lone LEJOG (Land's End to John O'Groats) and tie in with a charity. I know there are people who leave the services and find it very hard to re-integrate into Civvy St and end up on hard times, homeless and not helped so I am hoping through the kind members of the REOC (others will be badgered too) to raise some money for 'Helping Homeless Veterans UK'. Check them out here [hhvuk.org](https://www.justgiving.com/page/phil-winning-1) They have helped over 700 people so far and the team are all volunteers. Do please consider a donation through this just giving link: <https://www.justgiving.com/page/phil-winning-1>
Kind regards and many thanks, Phil Winning (MNS)

Branch Notes— South Lancs

As usual the Birch Hotel catered for the South Lancashire branch Christmas Meal, on the first Tuesday of December. The photo shows Sheila giving the Prize Coffee mugs to the Quiz winners. Twenty-four of us in attendance this year; is that a record? A good evening all round.

Chris Robinson (MNS)

Branch Notes— Wessex Branch

Hi Doug and Paula.

Just a few lines of what's happening in the Wessex branch. Five lads from the Wessex branch travelled up to Hatfields of Crowthorne open evening and launch of the 650 Bear. We heard about the Sterling work of The Mental Health Motorbike charity, followed by four guys from the Royal Enfield Technology Centre, giving us the lowdown on just what was involved in developing and producing the Bear. It was amazing to hear that the Factory produce virtually everything in house, not just for the Bear, but every model that they make. The tie ups between them and companies like Showa, result in high quality components being produced in India, which are then not subject to the high importation tariffs enabling the bikes to be so competitively priced.

Doug Hopkins (MNS)

Branch Notes — South Lancashire

What a great evening at the Birch Hotel!

A presentation by John Moulton, author of *Racing off the Page...* kindly organised by Dave Green. And a wonderful painting, raffled off and won by James. Lots of John's book sold and all in aid of the Air Ambulance. Chris Robinson (MNS)

Branch Notes — Kent

Well, Happy New Year to all! Unfortunately we are now in that "stale" part of the year where we wait for warmer and dryer weather to mark the start of the riding season, as right now the days do drag on a bit. Thankfully we aren't as bad as other places, being in the dreary southeast though. But, here's hoping for a great 2025, full of events and rides galore. We have just had our first meeting of the year and have already packed more than twice as much in as last year! With the influx of all new, avid, adventurous riders we certainly need it now. Our branch rally will take place on 14th and 15th June and we have our excursion to Holland in honour of "Operation Market Garden" to look forward to as well. We're also including a trip to Sammy Miller Museum and much, much more! I'm looking forward to seeing you all out on the road. As there isn't a whole lot to include this month I shall bore you all with this poem:

Don't cry for me, I still ride free, with the wind upon my face.
Leather in black, the sun at my back, a priceless gift of grace.
I'll never grow old, on these streets of gold, chasing the farthest sunset.
And I still recall, how I'm fond of you all, sweet memories I shan't soon forget.
And when you get here, don't shed one tear, and think that I am hiding.
Just search the shore, where engines roar, and you'll find me out there riding.

The popular Friday evening fish and chip run will of course take place as last year, converging on the nearby Greendale Farm shopping centre. They can easily cater for our numbers and I can endorse them. As I can the also excellent cafe.

They also sell a great selection of beer and cider at discounted prices for those that wish to avail themselves to the excellent weather that will no doubt grace our weekend, enabling those attending to enjoy the views across Dartmoor from the campsite. There are two very good pubs within the village of Woodbury which is about 1.5 miles walk away.

The Saturday ride out to explore our great countryside will of course be taking place followed by tea from our club facilities on site. With luck, we will be blessed with fine weather as it is also the same weekend as The Devon County Show. International Rally Older Enfield Experience March 25

Do you own an older Enfield? We are appealing to members who own older machines to allow other members to have a chance to ride them. Many current members of the club will only have ridden the more modern machines. This is an opportunity for club members with older machines to give these people a chance to experience the joy of riding an older bike. We hope that this may encourage members to buy their own older machines in the future thus helping to ensure the longevity of the 'classic' element of the club.

We now have about half a dozen machines available including my recently purchased 1936 KX1140, we would welcome more. Any British, older Indian machines or the American assembled Enfield Indians would be welcome in fact any motorcycle with an Enfield engine.

This would take place on the main drive of Baskerville Hall at very low speeds. Riders would have to show an appropriate current driving licence, insurance and wear suitable clothing. Machines would need to be roadworthy and insured. Please contact: reoc.pro@gmail.com if you could help us provide this opportunity to keep the Enfield Owners a truly inclusive club..
