

THE ROYAL ENFIELD OWNERS CLUB

The REOC welcomes you as a member and hopes your enjoyment and knowledge of Royal Enfield's will be increased through contact with fellow enthusiasts and participation in Club events in your area and further afield.

The Club

The REOC exists as a forum for the interchange of ideas and information on the maintenance, restoration and use of Royal Enfield motorcycles and machines.

This includes modern Royal Enfield motorcycles as well as Royal Enfield cycles, lawnmowers and stationary engines.

You do not need to own a Royal Enfield to be a member of the Club - all you need to have is an interest in anything Royal Enfield.

'THE GUN'

The majority of members gain most benefit from reading and contributing to the Club magazine 'THE GUN'. Its pages convey the friendly enthusiasm with which members share ideas on restoring, maintaining, riding and using their machines.

The wide variety of articles includes some of historical interest as well as technical items along with reports and photographs of rallies, runs and restorations.

REOC Website www.royalenfield.org.uk

Visible to the public, but a restricted members only area accessible by password.

As the Club magazine is bi-monthly the latest news and event info may be available here first if the details have been submitted by organisers.

There is currently a bi-monthly Newsletter published here on the in between months without a Gun magazine. It is also the place to find the newest version of this membership pack should any contact details have changed.

Members can also place their own For Sale and Wanted adverts.

'The Gun' is the official publication of the REOC and is published every other month. Contributions and articles are always welcome, as are letters to the editor, and are essential for maintaining the magazine's high standard.

Back issues of recent copies may be available from the Magazine Dist. Officer.

Scanned copies of # 1 – 300 are available on CD from Editor Doug Young.

'The Gun' also offers free advertising to members in the form of 'sales and wants', plus trade adverts which are priced by size.

Archive library.

The club Archive has thousands of original documents, many from the earliest years, including:

- sales brochures / parts books and handbooks / workshop manuals
- factory photographs / engineering documents / articles and road tests.

Some are available on our Website, but most can be provided in digital copy upon request, from which hard copy prints can be made.

Donations of new material are always very welcome.

Contact: archivist@royalenfield.org.uk

Assistance on recovery of registration numbers (Royal Enfield only)

Via the machine dating service, the Club can assist you in retaining a machine's original registration number if **you** can provide the necessary evidence, or in obtaining an age-related number if you cannot.

Machine Dating

By providing clear digital photographs of the frame and engine numbers (including any letter prefix where applicable), along with photographs of both sides of the complete machine, the Dating Officer can determine the factory despatch date.

A machine dating certificate will only be issued if the numbers prove to be genuine Royal Enfield stampings.

There is a discounted fee for members using this service and details of how to pay can be acquired from the Dating Officer.

Club Sales of badges, tee-shirts, sweatshirts

The Club sells a range of REOC badges, stickers, clothing, Gun magazine binders, etc. Details are published regularly in 'The Gun' magazine.

Note:

Club Services can be paid for by Bank transfer, Credit/Debit Card or PayPal.

Branch Guidelines, Rallies and Motorcycle Shows

Branch Guidelines

1. That the Branch-Contact/ Branch-Chairman, undertakes that role in acceptance of the responsibility that he/she will ensure that every regular attendee to monthly Branch meetings is a current member of the Royal Enfield Owners Club.
2. That the Branch members ensure that the Branch Contact is not alone in adopting a role in support of the Branch. For example, that a further two members adopt regular responsibilities such as 'Scribe' to forward Branch-reports to The Gun magazine and 'Ride-out-Captain' to organise local ride outs and to encourage multi-Branch ride-outs. If more volunteers are available, that another member takes a role in promoting the Branch and/or engaging with new Royal Enfield owners via their local dealership and that a member is nominated to welcome new Members and visitors to monthly meetings etc. *We strongly recommend that no less than two Members adopt a role in support of the Branch-Contact.*
3. That where the Branch benefits from an active Royal Enfield dealership the Branch Contact ensures that the Branch does not exclusively meet at the premises of that dealer or attend only the dealers ride-outs.
4. That the Branch Contact makes every effort to ensure that the Branch will be represented at the Royal Enfield Owners Club Annual General Meeting. Either in person or by a second.

Branch Rallies

Where a branch organises a Rally / Camping weekend that is advertised in the official events calendar published in The Gun, an expense allowance of up to £100.00 may be claimed after the event without any receipts being required.

The organiser must inform the social secretary in good time so that all members can be made aware via The Gun and website of the Rally / Camping weekend.

Any expenses greater than £100.00 must be approved in advance by the committee via the treasurer and must subsequently be backed up by official receipts.

Motorcycle Shows

Where a Branch organises a Club stand at one of the recognised Motorcycle Shows, an expense allowance of up to £100.00 may be claimed after the event without any receipts being required.

The branch must inform the social secretary in good time so that all members can be made aware via The Gun and website that there will be a Club stand at said show.

To check that the Show appears on the list of those recognised by the Club for this purpose, or to request that a Show be added to that list, please contact the Branch Coordinator or the Club Chairman in advance.

Any expenses of more than £100.00 must be approved in advance by the committee via the treasurer and must subsequently be backed up by official receipts.

Claims forms for either of the above are available from the Treasurer upon request.

Enfield Explorers Challenge

This is an online competition to encourage members to get out and ride their RE's. It runs from April to September each year with the finish date being one week before the AGM. This gives us a chance to collate all the results before announcing the winners at the AGM. Only Royal Enfield bikes may take part.

The dates and a list of Points of Interest to visit are available at the website, along with a map showing the same. Points for visiting these awarded as follows:

Pre 1940 Enfield (5 points) / Pre 1972 Enfield (3 points) / Post 1972 Enfield (2 points)

Official REOC rallies (as listed in The Gun club magazine) and the AGM will also be given a POI number and will garner extra points:

Attend an official REOC rally regardless of bike make (15 points)

Attend AGM rally regardless of bike make (25 points)

When you visit one of the nominated places, take a photo of your bike at that location and use the website form to upload your POI check-in picture as proof of visit. Don't forget to enter your membership number and name.

Awards:

A prize for the top 3 Explorers.

A medal for all entrants who complete 5 or more POI's.

Award for most POI's visited on a UK (Redditch / EPE) Royal Enfield.

Award for most POI's visited on an Indian Enfield / RE.

Award for most POI's visited on a combination of UK RE and Indian Enfield / RE.

Award for the oldest bike + rider combination.

Award for anyone who visits the 4 cardinal points on the POI list.

If you have any questions about the challenge, please send an email to:
